Sai Hitech Group of  
Interior & Construction

A long, narrow hallway with patterned wallpaper and a modern ceiling with recessed lighting and purple LED strips. The walls are covered in a repeating pattern of black and white floral motifs. The ceiling features several recessed rectangular sections with purple LED lighting strips along their edges. The floor is made of large, light-colored tiles. In the distance, a doorway is visible. On the right side, there is a stack of materials wrapped in blue and white plastic.
